SUMMARY

I am a skilled PHP Developer specializing in the creation of dynamic, high-performance web applications and websites. With expertise in writing clean, efficient PHP code and integrating it with databases such as MySQL and PostgreSQL, I bring a strong technical foundation to every project. Proficient in frameworks like Laravel and Symfony, as well as front-end technologies including HTML, CSS, and JavaScript, I am dedicated to delivering scalable, secure, and optimized solutions. My commitment to staying updated with the latest trends and best practices in web development ensures the delivery of robust and innovative applications.
